### Disco Fever

Who says recycled materials can't be glamorous? Eleek's Calliope Chandelier adds a touch of glitz to any space. Crafted from 100 percent recycled cast aluminum, steel, art glass and frosted borosilicate glass lens, the pendant fixture channels both a futuristic and organic feel. Designed with pieces of art glass clipped around a metal globe, the piece measures 42 in. high and is available in a variety of finishes. Visit [www.eleek.com](http://www.eleek.com)

**In Season**  
It's always spring-time with the Floral Collection of range cookers from Rangemaster. The Excel 110 is offered in three designs, The Orchid, The Gerbera and Wild Flowers. Features include a dedicated slow cook oven, a rapid-response setting and single-handed ignition. For more floral options visit [www.rangemaster.com](http://www.rangemaster.com)

### Rejuvenation Celebration

Rejuvenate's New Kitchen in a Box is a do-it-yourself renovation product that instantly and inexpensively brings a Kitchen back to life in less than an hour. The new kit easily transforms an old kitchen to new by just applying the product directly to old and dull cabinets, countertops and floors.
